*Current Actions:* IMLS is requesting the approval of the Notice of Funding Opportunity for the following grant program for the next three years. Native Hawaiian grants are competitive grants available to carry out activities, described in 20 U.S.C. 9141, that enhance existing library services or implement new library services. Native Hawaiian Library Services grants are available to nonprofit organizations that primarily serve and represent Native Hawaiians (as the term is defined in 20 U.S.C. § 7517). The term "Native Hawaiian" refers to an individual who is a citizen of the United States and a descendant of the aboriginal people who, before 1778, occupied and exercised sovereignty in the area that now comprises the State of Hawaii. Successful Native Hawaiian grant projects should result in measureable changes and outcomes, such as increased understanding, interest, and confidence among participants. Successful Native Hawaiian grant projects support the activities described in 20 U.S.C. 9141, for example:

- support for individuals' needs for education, lifelong learning, workforce development, and digital literacy skills;
- improvement of the quality of and access to library and information services; and
- enhancement of the skills of the current library workforce and leadership.

This action is to renew the forms and instructions for the Notice of Funding Opportunities for the next three years.
